For Your Reference

One way to increase the visibility of your scholarship, as well as to track its impact, is through [Google Scholar](#). Google Scholar tracks law reviews, books, and articles from other academic disciplines that cite your scholarship; it will identify new papers that are related to your work; and your profile page (if public) will be displayed prominently in search results on Google.

Google Scholar

The law library is pleased to offer assistance to any faculty member to set up a Google Scholar Profile. Contact Stephanie Miller at millersc@wlu.edu.
