*The Virginia Capital Case Clearinghouse is not about theoretical or philosophical support for or opposition to the death penalty. It was brought into being on commitment to the principle that one who stands to forfeit his life is entitled to the effective assistance of counsel, both for his sake and for the sake of those who would take that life.*

## **A WORD OF THANKS AND A CONTINUED APPEAL**

The Digest is intended to serve the Commonwealth. Its purpose is to assist capital defense counsel by increasing the fund of knowledge available to the entire legal community, including judges and prosecutors. We ask that those who believe that the Digest is helpful and should continue in widest possible distribution consider defraying a portion of the cost. Individual contributions do not represent a major percentage of the publication cost but do constitute a clear endorsement of the continuing need for the Digest. To date, the response has been gratifying.

The suggested sum is \$10.00. Checks should be made payable to Washington and Lee University and mailed to:
