Subject: Permission to post article in online repository

Dear HeinOnline,

I'm requesting permission to include a copy of your PDF scan of the article cited below, published in the West Virginia Law Review and authored by one of our faculty members, in the Washington and Lee University School of Law institutional repository (<https://scholarlycommons.law.wlu.edu>). The item will then be viewable and downloadable by the general public, free of charge. This use will not generate profit for our institution.

Jill M. Fraley, Liability for Unintentional Nuisances: How the Restatement of Torts Almost Negligently Killed the Right to Exclude in Property Law, 121 W. Va. L. Rev. 419 (2018). [<https://heinonline.org/HOL/P?h=hein.journals/wvb121&i=437>]

Please advise at your earliest convenience and thank you in advance for allowing this use. If you have any questions or concerns, please don't hesitate to contact me.

Sincerely,
Andrew Christensen
