Mr. Justice Powell
Supreme Court of the
United States,
Washington, D. C. 20543

Dear Lewis:

Thank you for sending the three editorials to me. They were most perceptive and really hit their target. Sometimes I think that the best comment on a silly item like the one on your memorandum to an official of the United States Chamber of Commerce is the type of ridicule in the editorial of the Boston Herald Traveler.

With best regards,

Sincerely yours,

Bernard G. Segal
