October 6, 1972

Dear Gene:

I so much appreciate yours of October 3, and also your spirited letter to the Editor of the Times Dispatch.

I have not yet seen the editorial. I am sure that your letter helped to stimulate it.

I think no great harm has come of Jack Anderson's "revelations", although I am sure some people will agree with Anderson's smears.

With appreciation and my best to you and Lucy.

As ever,

Mr. Eugene B. Sydnor, Jr.
